

"Appreciation is a wonderful thing; it makes what is excellent in others belong to us as well."

Voltaire

Your Inspiration for Today!

Put five pennies in your right pocket at the beginning of the day. Then, whenever you appreciate someone during the day, move one penny to your left pocket. Your goal is that by the end of the day, you will have moved all the pennies to the other side - and best of all, you will have made 5 people very happy!

Be Positive, Be Inspired and Serve Others.
